

## **PROPERTY HISTORY OF GLENLAKE - ONE & THREE**

Pope & Land, with equity partner Granite Properties, acquired from St. Joe Paper Company three sites, which were then master planned for two 14-story office buildings, One Glenlake, Three Glenlake and a senior housing development. One Glenlake was developed for Siebel Corporation, who occupied 60% of the building upon completion. Pope & Land then partnered with Greenstone Properties to develop Three Glenlake as a build-to-suit for Newell Rubbermaid.
